ROSTER AUDIT POLICY

The Bloomington Parks and Recreation Department will conduct at-random roster audit again this season. We allow managers to add players throughout the course of the season with prior approval. This process is in place to keep the playing field fair allowing us to check to make sure that everyone listed on a team's line-up has gained necessary approval. We are making an effort to allow managers more roster flexibility throughout the course of the season. We expect our managers to follow the rules.

During the **at-random roster audit** the softball supervisor will check the original roster prior to the game with the audited team. Players will be asked to provide identification to verify identity. If the player cannot, or refuses to provide picture identification the team manager will have 24 hours to prove the players identity. If the player/manager fails to comply within 24 hours the game will be recorded as a forfeit for the offending team. **Managers and offending players caught participating without necessary approval and signed on the roster are subject to removal from the Adult Softball Association.**

Any team whose roster is not on file prior to that team's participation in a game will warrant the forfeiture of that game and any others until the roster is completed and on file.
2. ****Roster adjustments and additional players, different from the tentative roster, may be added throughout the course of the season. In this instance, all non-active players must be dropped from the roster. Additional players may be added only by approval of Mark Sterner and/or Dee Tuttle.**

 - a. All transfers must follow all necessary eligibility requirements listed in section II of this document.

Player Conduct

1. Bloomington Parks and Recreation operates a zero tolerance league with respect to unsportsmanlike conduct before, during, and after games. This includes vulgar language and verbal abuse to our staff. Conduct in these categories constitutes ejection **without warning**. This is a written warning of this policy. A cornerstone of this program is a clean environment; therefore umpires are instructed to issue ejections on audible obscenities. Please notify your players of this policy before the season starts.
2. Any Sports Division full-time staff, departmental supervisors, or any duly appointed umpire, shall have the power to remove from the game any player, manager, or spectator who shall dispute the accuracy of their decisions or judgments on a play or who shall engage in unsportsmanlike conduct.
3. The manager/coach of the team affected shall be responsible for the removal of the offending person(s) from the game. The Softball Supervisor will assist in this removal if necessary. If the offender fails to leave within 2 minutes, the game officials may forfeit the game to the opposing team.
4. **A participant ejected from the game by an official is automatically ineligible for the next game for that team. Additionally, if the participant is rostered with another team(s), he/she is ineligible for that next game(s).** Any situation involving participants and spectators misconduct shall be referred to the Area Sports Manager for possible further administrative action.
5. Any player or coach who has been expelled from **two** games during the season will be dismissed for the remainder of the season.
6. Any participant who assaults another player, coach, spectator, official, or Parks and Recreation employee, shall be dismissed from the league. **Violent threats or verbal attacks are considered assaults.** This action will not be appealed before the Board.
7. Any player who throws a bat that may endanger other participants or spectators shall be ejected from the game. No prior warning from the umpire is necessary. The batter shall be declared out and runners may not advance.
8. No player, coach or spectator shall be allowed on the premises if under the influence of alcohol or drugs. Additionally, smoking is not allowed on the field or in the dugout areas. On March 27, 2003, the City of Bloomington Common

Council passed smoking ordinance 03-06. Effective August 1, 2003, the ordinance bans smoking in public places and places of employment.

9. No pets are allowed inside the fenced property of Twin Lakes or Lower Cascades parks per city ordinance.
10. **It is the responsibility of the Manager/Coach of each team to insure that all players have read and understand the provisions of these rules and regulations and those of the Official ASA Rule Book. Ignorance of these provisions shall be no excuse for their being abused.**

Uniform Requirements

1. A minimum uniform requirement for all leagues shall be: All players with same color uniform jersey/or T-shirt with a minimum of 6-inch numerals located on the back. **This rule will be enforced beginning with the first game of the season!**
2. **An out will be recorded for any player failing to comply with the uniform requirements each time they come to bat. The player will be allowed to take their turn at bat. If the player would be the 3rd out of the inning, he/she will be declared out and not be allowed to bat until the next inning. No additional out will be declared in the next inning. **The deadline for compliance is the day of your first scheduled game of play.**

SECTION III - GAME ADMINISTRATION

1. All games shall be scheduled at **70-minute** intervals. Games will start at the scheduled time or upon completion of the preceding game. Game time is forfeit time. A **65-minute** game time limit will exist. Clock will begin with the release of the first pitch. No new inning will begin after the 65-minute game time limit has expired. No extension of innings will be allowed except in the case of ties.
2. In instances where a preceding game was completed prior to the expiration of the time limit, teams should be present and ready to play within 10 minutes. Teams should report to the field no later than ½ hour before their scheduled game time.

No game will start before its scheduled time unless both teams agree to start early.

3. A forfeit will be called by the **Softball Supervisor** if a team is not ready to play and has less than eight players **in their dugout at game time.**
4. Any team starting with less than their declared number of players will be penalized an out for each player short. A team must declare 9, 10 or 11 players. When any additional players arrive, they must be inserted into the game and be placed at the end of the batting order. (This rule does not apply to Co-Rec). If a team starts the game with 8 players, an out is recorded at the bottom of the batting rotation for each player absent from the number declared.
5. Completed line-up forms must be turned into the scorekeeper at least 5 minutes before game time. **In instances where a preceding game is still in progress or has gone into extra innings, at your scheduled game time, the line-up rule is still enforced.** If only one team has their line-up in on time, they automatically

get the choice of home or visiting team. If both teams' line-ups are not in on time, the game clock will begin at game time and the first team to submit their line-up will get the choice of home or visiting team. However, the actual game will not start until both line-ups are turned in. If both line-ups are in on time, no penalty is enforced. Line-up sheets are available at each score tower.

6. Pre-game warm-up is only permitted to take place in the outfield playing area and the designated warm-up area.
7. The 12-run rule will be in effect in all league games following the completion of 5 innings of play. Any team leading at the end of 5 innings or subsequent innings by 12 runs or more is declared the winner. In addition; if the difference is 20 runs by the end of the fourth inning, the game will be halted.
8. The following over the fence home run limits will be in effect: Competitive A – four homeruns per team & progressive up to six, Competitive B – three homeruns per team & progressive up to five, Competitive C – two homeruns per team & progressive up to four. All balls hit over the fence in excess of the following limits will result in the batter being declared out. Players will not run the bases.

Substitution

A starter may re-enter the game once, provided:

1. He/she must occupy the same position in the batting order.
2. In the case of player injury, a substitute who has already played may re-enter a game in his/her place to avoid forfeiture. If there is the possibility of more than one substitute, the opposing team may pick which substitute should enter the game.

Forfeitures

1. A team who forfeits a game **after 3 PM on game day** must post a \$15 forfeiture fee with the Parks and Recreation office before their next game.
2. Games that are forfeited during the course of a game due to a technical rule violation or games which are forfeited with notification to the sports department at least 24 hours before game time **OR, IF A CO-REC GAME, THE FRIDAY BEFORE DURING OUR NORMAL BUSINESS HOURS OF 8am-5pm**, will not have a forfeiture fee penalty imposed.
3. **If a team fails to pay the forfeiture fee before its next game, the game will be declared a forfeit.**
4. A team who forfeits **2 league games**, during the regular season, is subject to dismissal from the Bloomington Softball Association.

Ground Rules

1. Ground rules will be established for each facility and discussed with team captains prior to each game.
2. Any player who, in the umpire's judgment, excessively digs or removes dirt from the batter's box will be declared out.

Regulation Game

1. A regulation game shall consist of seven innings. A full seven innings need not be played if the team second at bat scores more runs in six and one half innings, and/or before the third out in the last of the seventh inning, or the run ahead rule is applied.
2. The Softball Supervisor and umpire together may make a decision to postpone or cancel a game in progress due to inclement weather (lightning, rain, etc.). If lightning or thunder is identified, play will be suspended for 30 minutes provided there is no additional lightning sighted or thunder heard. Each bolt of lightning or sound of thunder constitutes another 30-minute delay period. A game is declared complete if five or more complete innings have been played, or if the team second at bat has scored more runs in four or more innings than the other team has scored in five or more innings. In all situations, the Area Sports Manager and/or Sports Coordinator are contacted before final decision is made.
3. Games that are not declared complete (regulation) will be played over from the beginning at a later scheduled date.

Rain Outs/Rescheduled Games

1. Rain out information is available by calling the Softball Information Hotline, 349-3610, by 3:00 p.m. weekdays and by 12:00 p.m. on Sundays.
2. The Bloomington Parks and Recreation rescheduling policy stipulates that no game vacancies will be permitted. Rescheduling requires advanced planning and effort by the manager who desires to reschedule. All cases begin with calling the Area Sports Manager or the Sports Coordinator to obtain manager and game information. The two following cases are the only ones permitted:

Case #1. Switch the entire game with another game in any league. This requires approval from all three managers involved.

Case #2. Trade opponents within your league from the original schedule while keeping the game times/dates the same. This requires approval from the switching team and only informing the team that does not change.

In both cases, final notification is to be given to the sports staff.

In the event of such an injury to myself or my child and I or my spouse cannot be contacted. I give permission to the attending physician to render such treatment as would be normal and agree to pay the usual charges for such treatment.
